

Hartland Family Survey results:

Thank you for taking part in our annual NAEYC Family Survey. We always use your feedback to reflect and set goals for our program. The 26 questions you answered translate out into 71 criteria we must meet for our NAEYC accreditation!

Highlights:

- *100% of you believe our teachers and program work with you to meet your child's individual needs or we help you connect with other resources within the community.
- *100% of families have good relationships with your child's teacher & the rest of our staff.
- *23 of the 24 questions resulted in scores of 90-100% "yes" replies which gave us a "pass rate compared to other programs" of 98% and a Commendable rating! We're thrilled you're happy with your families experience over all at Grandma's House.

Areas to mention:

*** Question #16, states that "the program helps me get to know other families in the program and encourages us to support each other." Just 5 families answered "no or Don't Know". We do host several fun family nights during the year for you to get to know each other, visit, share a meal and do activities together. Watch for signs on the entryway doors, emails and newsletters for dates and times. Our next one will be during the Week of the Young Child in early April. If you'd be interested in helping plan some of the activities for one of our family nights we'd love to have you! All of the planning involves a minimal time commitment and we welcome your creativity. Just let Jane know or send her an email.

Again, thank you for taking part in our annual survey. Please see either one of us with any questions or new ideas!
