

Dear Families,

Thank you for completing our annual NAEYC Family Survey. Congratulations to the Feldbruegge family, who won the raffle prize of a free day of child care! The survey feedback is valuable to us and helps us reflect on our current practices to make improvements. Here are some points we'd like to offer clarification on:

*Q.17: I am always welcome at the program and am invited to participate by helping to plan events, being involved in decisions about the program, and taking on leadership roles. (36 answered "yes", 6 answered "no" and 8 people answered with "DK")*

To address "leadership roles", those would be available in a larger-scale program such as Head Start, which has a Parent Advisory Board. Here at Grandma's House we always welcome your input. We have tried for about 5 years to keep our parent group (the CPN) active without much success.

We would love your help in planning things such as: family nights, Week of the Young Child activities, classroom parties, Project Shoebox (for Foster Children), teacher appreciation activities, etc. You could volunteer for one or all; it's up to you and what works for your family. Your time commitment would be minimal; we understand you are trying to balance work and family! Please email if you're interested at [kpotter@grandmashouse.org](mailto:kpotter@grandmashouse.org).

*Q12: I know how the program makes sure that information about my child and their progress is kept confidential. (38 answered "yes", 5 answered "no" and 7 people answered with "DK")*

From your Parent Handbook, all of your child's enrollment records are kept locked in the office. Your child's portfolio/evaluation is kept by their teacher in the classroom and is kept confidential. All of our staff is trained in confidentiality as well.

Thank you again for your input!
