

Summer Tips:

1. Leave a spare swimsuit (2 piece for girls, please!) and towel in your child's cubby and take home once a week to wash. In addition to swimming trips, we have water play at various times during the week to keep the children cooled off while having fun.
2. Please sign the Parent Consent form for the use of sunscreen and bug spray that Grandma's House will provide and apply to your child. These are applied several times a day as needed.
3. "Little Swimmers" are required for any children not fully potty trained. Please label and give to your child's teacher.
4. It is important for the children to wear comfortable closed-toed shoes to protect their feet. Long walks and wood chips or gravel can cause discomfort. *As always for safety, NO OPEN-TOED SHOES!*
5. Transportation for each field trip is listed on your child's calendar. Children will travel in a yellow school bus or a Grandma's House bus or van. Two year old children traveling in a Grandma's House bus will be secured by a four-point harness.
6. Lunches or snacks for each field trip are also listed on your calendar. "GH Lunch" indicates a picnic lunch that will be prepared by the Grandma's House cooks. They include sandwiches, chips, fruit, cookies, juice and of course, lots of water! Snacks will be prepared by Grandma's House cooks and will be similar to those served at the center.

If children are traveling to another Grandma's House center for a field trip, they may be eating lunch at that center. The lunch will be similar to the one served by the cook at your child's center in accordance with our menus. If you have any questions or concerns, please see your child's teacher or the Center Director.

7. Children will wear Grandma's House T-shirts on all field trips for easy identification and security.
8. Grandma's House provides additional teachers to assist on field trips.
9. Please do not send any money with your child to take on field trips. Children do not have the opportunity to purchase food or other items.
10. Please arrive at the center at least 15 minutes prior to the scheduled departure time. This allows the teachers enough time to prepare all of the children for the field trip so they can leave on time and ensures that no one gets left behind.

***Please label everything
for your child!***

Warm weather items for day care:

Sun hats for infants & toddlers during stroller rides, playground times, splashing in wading pools and sprinklers.

Little Swimmers for any child **not fully** potty trained to use during all water play activities or field trips involving water.

2-piece swimsuit for the girls is much easier to change diapers, Little Swimmers and go to the bathroom than a one-piece.

Closed-toe shoes, including sandals, are the only type of footwear allowed at the Center and on field trips for all children.
