Growing Highlights

September 2020

Dear Parents,

This year has brought a lot of changes at Grandma's House. As we work every day to establish the new "normal," the children have been super helpers in their classrooms. They wear their masks while indoors, keep up with all the hand washing, and cover their coughs and sneezes better than ever. With the different school openings (some virtual, some in person), we'd like to give a round of applause to all the children handling the changes so well. If school plans change, please do not hesitate to contact me if care is needed. We want to help you in any way we can. We will continue to do our best to help transition these children back into their schools and hope for a great school year ahead! We would also like to welcome back all the families returning this Fall to Grandma's House; we missed you and can't wait to teach your little ones again!
