Growing Highlights

September 2020

Dear Parents,

It's hard to believe that our summer program is over! Although we weren't able to offer field trips off site, we did end August with Ms. Michele's annual field day. The children were able to enjoy a morning full of fun and active games on our playground.

We are excited to begin our Fall Program this week and celebrate that this September brings the 37th Anniversary of Grandma's House! Our Highland location has been open since 1987 and we are so thankful to be able to continue to partner with your families. While the world around us may not look or feel "normal" right now, we are grateful for the ability to provide the consistent, loving care and learning environments for your children!
