

Growing Highlights

September 2022

Hello Families,

Our Fall Program is in full swing! It's always emotional to say goodbye to our 4 and 5 year olds when they begin their kindergarten journey every September. However, it's refreshing to hear positive feedback from so many parents on how well prepared their child was for "big school". Our children learn so much more through play than they could ever learn with a worksheet!

September is always a tricky month because we have cool mornings and warm days. It's a great time to go through cubbies and make sure you have some short and long sleeve shirts, as well as a pair of pants and a sweatshirt. And please make sure EVERYTHING is labeled. If you think keeping 1 or 2 children organized at home is hard, imagine what it is like to have 8 or more!

Looking forward to a fun Fall,

Kristie Potter, Director
