Growing Highlights

September 2023

Dear Parents,

Our Fall Program is up and running. I would like to welcome all the new and returning families to Grandma's House. We are excited to get to know your family and to help your little ones grow and learn. Starting again this Fall, we will be sending out book order fliers to help the teachers fill their classroom libraries.

On Friday, October 13th, we will be hosting a Fall Festival for our families! We will have dinner, and Fall activities for the children. We would also love for the children to dress up in costume. Please be on the lookout for our invite!

October is our formal conference time to meet with the teachers. Teachers will be sending out a Sign-up Genius for you to reserve your spot to hear about all the exciting things your child has been doing! Teachers will have about 15 minutes to meet one-on-one with you to go over your child's progress.

Lastly, the shout out of the month goes out to Ms. Ashley, our older three year old teacher. This summer her class was busy going on fieldtrips each week and having fun in their classroom. Daily, Ms. Ashley had lots of activities out for the children to strengthen their small motor development. It was great seeing the children engaged in these activities. Please check out the "Shout Out Board" in the front entryway for all the fun that was had with Ms. Ashley and her group of 3 year olds this summer!

Looking forward to a fun Fall!
