SEPTEMBER 2026

Dear Parents,

Another fun-filled Summer has come to an end. Our field tripping classes went on a total of 78 field trips! But that does not mean the trips have to end. Many classes will enjoy our Fall trips to the apple orchard, pumpkin farm, and the zoo. Watch for more details as we begin our Fall Program.

September is always a tricky month because we have cool mornings and warm days. It's a great time to go through cubbies and make sure you have some short and long sleeve shirts, as well as a pair of pants and a sweatshirt. And please make sure EVERYTHING is labeled. If you think keeping 1 or 2 children organized at home is hard, imagine what it is like to have 8 or more! It's also very important to take home any medication that is no longer needed.

Grandma's House prides itself on building strong relationships with our families so I would like to extend an invitation to join our parent group. This group meets on the second

Tuesday every other month to share feedback, plan family nights, and discuss center related items. Our next meeting will be Tuesday, October 13th at 6:00 pm here at the center. No need to RSVP, everyone is welcome to come.

And on that note, please save the date for Tuesday, September 22nd for our annual Fall Family Night! Join us for dinner and activities in your child's classroom. This is a great way for you to get to know other families in your child's class.

Thanks,
Claire Cramton, Director
